A Life-Changing Experience for Teens

In an age of “selfies” and egocentrism, YOU cuts through the noise to present an authentic view of the human person. It presents young people with the extraordinary story of their creation as unrepeatable individuals. But the program doesn’t stop there. YOU. Life, Love, and the Theology of the Body introduces teens to the truth that life is not, in fact, all about them; it is about going out of themselves to be a sincere gift for others.

As the primary educator of your children, you have the right to know what material will be presented to your son or daughter in this high school program. YOU: Life, Love, and the Theology of the Body.

“Theology of the Body” is the popular title given to 129 of St. John Paul II’s Wednesday audience messages from 1979 to 1984. In these talks, he not only offers a captivating explanation of marital love and sexual ethics.

St. John Paul II once said, “God has a plan for us- a plan for our lives, for our bodies, for our souls, for our future. This plan for is extremely important- so important that God became man to explain it to us.”

This scheduled lesson is being offered to all high school upcoming 9th -12th grade students. Some content may be uncomfortable and sensitive in nature. This is a consent that you as a parent are in full knowledge of this fact and give your consent for your child to be presented this material.
